Support a good cause while clearing your wardrobe! Please make sure your pieces are clean and tidy before donating - any time they have to spend cleaning or throwing a piece away is time and potential income lost. Click on each link for more info.

*St Vinnie's will also take any clean fabric scraps, clothing, or textiles for recycling. Just pop them in a bag and mark them as such.

These are some of the major retailers that will take donations of their own and/or any brand of textiles. Often they partner with a non-profit to resell the items, so it varies on what they take and what they do with them. Either way, it's reducing the massive carbon footprint that is the fashion industry! Click on each link to learn more about their particular program.
